total views: 23 322 · MoM: +11.8% · YoY: -4.0% · declining (noisy trend, $R^2=0.37$)

Raw monthly pageviews

Share of edition traffic (ppm) — normalized for edition growth

Assumptions & limitations

Pageviews measure article visits, not purchase intent or product demand — treat this as a signal for further validation, not a decision by itself.

astronomy / pl: contains a statistical spike — may reflect a single news event, not sustained interest.

astronomy / uk: contains a statistical spike — may reflect a single news event, not sustained interest.
